

Generous and ever-present God, we entrust to you the success of our capital campaign for the benefit of Marquette Catholic High School. We ask your blessing on

- *those who will organize and direct the campaign,*
- *those who will undertake the difficult task of asking for donations and raising funds,*
- *those who will respond generously with their gifts and support,*
- *those who will give hidden time and effort behind the scenes,*
- *those faculty and staff members who continue to maintain the standard of excellence for the school as the campaign moves forward,*
- *and those students and their families who will benefit from all that this campaign will make possible for Marquette Catholic High School.*

*We trust you to guide us through this process from the careful foundation we have laid to the celebration of success we gratefully anticipate. Be with us in the campaign's beginnings and in those times when we experience the joy of achieving our goals as well as those times when we learn from struggle and begin again. You have been a dynamic presence in the history of Marquette Catholic High School. We move forward with the confidence that you will continue to be with us in our efforts to provide quality Catholic education for the young people of the Alton area in the future.
Amen*
